## Welcome to The Cellar Door at The Dining Room

An exciting new venture is underway in the cellars of 31 North Street, Chichester. Beneath the The Dining Room at Purchase's a vast range of wines and spirits is on offer from The Cellar Door. From Merlot to Monastrell, Pamplemousse to Parfait Armour, an eclectic mix of high quality products is available via a friendly, expert service.

Along with our cellar based shop (just go down the stairs at the end of the bar) we will also shortly be launching a dedicated website. All of the wines that we list are available in the restaurant and bar as well so why not pop in and try one or maybe two? All bottles listed are available individually from The Cellar Door so you won't be tied to buying a dozen of something (although you'll get a 10% discount\* if you do).

A list of over 250 wines and 400 spirits/liqueurs will ensure you won't be stuck for choice; in fact if you find the choice is too daunting, then why not let us help? We'll find the right wine for you no matter what your taste (and budget) is! Do you need a bottle of something from 1966 or are you struggling track down that wine you had in Tuscany last summer? Upon request, we can help track down rare, specialist or collectable wines and spirits not listed.

We hope that you enjoy the new shop, site and service and ask that you 'spread the word' that Chichester has once again got its own independent wine shop; if you have any questions or would like further information please contact us on either 01243 537352 or [thecellardoor@thediningroom.biz](mailto:thecellardoor@thediningroom.biz)

We look forward to seeing you soon,

The Cellar Door team
